

Voice of Victory Ministries
March 2019 News letter

ATT: ST. Luke Lutheran Church

Dear Friends,

We have had very great time ministering to our church, serving through our Clinic and school, all these are the opportunities to reach our community with Christ's Love.

Thanks for praying and supporting us which is very helpful and make things happen quicker.

SCHOOL:

Our school this year 2019 has 140 children, and we have 10 children through out the day which now brings our vision expanded to the day care service, that means these ten children comes to school with others from 8:00 am and stay until 6.00pm.

This is most crowded class 70 children some sits on the floor due to the lack of benches but our teachers are very co-operative and supportive teaching them.

We are looking at several options for the long-term support so please be praying with us. We are praying about this as well.

VOICE OF VICTORY CLINIC

Above is among the nurse giving an injection to a child who was diagnosed with Malaria and UTI(urinary truck infection). These are the common diseases around. We thank God for the operation of our Clinic in the area, which has a great impact to the community. We are facing a great challenge if not a need for our budget in the year 2019 has been cut into the half of the funds for our staff to operate. In the past year we were blessed for the grant, fully covered the operation costs, this year we were funded just half of our budget, this means I and our staff are real in need to seek for the support to cover our the deficits for the entire budget.

God is moving in new and deeper ways. We are pleased with the faithfulness of God in blessing this ministry this year and since it was started. We are seeing much growth in the ministry both church, School, Clinic and Gospel outreaches.

We are also happy to reach out for the widows and orphans just as it is in the bible James commended us to look for such people and make the see the love of Christ by supplying foods and other needs as the funds allows.

YOUTH CONFERENCE:

We are continuing to reach and impact many young men in the country and the other community centers. We continue trust God to provide \$ 3000 every June and December, which means that we have between 300 up to 500 attends, spend five days for Christianity ethics, secular education couches, trainings, fellowship and have funs. This has been very productive and life changing to many young men. Please keep this coming June conference(YOUTH DESTINY CAMP) to succeed. If you want to support please let us know before May 25th 2019.

Thanks for partnering with us bringing food, clothing and meet the physical needs of the poorest of the poor children. You have also helped us bring the good news to the people. We could not do it without you.

Praying for you as we celebrate this special Easter time.(John 3:16) *"For God so loved the world, that He gave His begotten Son that we may have eternal Life".*

Bishop Unity Rabiamen Msami.
